on the fund, including the cost of administration, taken on the same date, amount to £183,504. Thus the normal income receivable in the present financial year is estimated to exceed the expenditure by £44,451, and this balance will be increased by the amount which may be realised by sales of property and redemptions of income. The Capital liabilities upon the Church Fund amount at present to £2,800,000, namely, the National School Teachers' Pension Fund, £1,300,000, and the Congested Districts Board, £1,500,000. In addition there are annual charges upon the Church Fund to the amount of £90,000, namely, a perpetual charge of £20,000 per annum for the Irish Universities, and a charge of £70,000 per annum in favour of the Department of Agriculture and Technical Instruction. The latter charge was fixed for a period of fifteen years certain from the year 1900, under the Act 62 and 63 Vict., csp. 36, sec. 15 (b), and the charge has been continued at the same figure for a further fifteen years from 1915 with the approval of the Treasury.

Attention has been called in previous Reports to the present and prospective depreciation of the Church Fund as a result of (1) the compulsory redemptions of Church income owing to sales under the Land Purchase Acts, (2) the cessation of the receipt of terminable annuities, and (3) the reduction of Tithe Rent Charges and Perpetuity Rents as explained below. The operation of each of these causes leads or has led to the depreciation of both the capital value and the income of the Fund, and it is estimated that the income will eventually be insufficient to meet the expenditure if the latter should be continued upon the existing basis. Further particulars respecting the income and expenditure are shown in the Appendix.

Tithe-Rent Charge. During the year 2 cases, previously excluded, representing an Annual Income of £14 10s. 4d., were admitted to the benefits of Section 3 of the Tithe Rent Charge Act, 1900. (Ireland) Act, 1900, and the reductions, under the Certificates which appeared in the *Dublin Gazette* of 26th October, 1900, amounted to £3 11s. 0d. per annum.

Since the passing of that Act, 15,095 cases covering an Annual Revenue of £137,355 were so admitted; the reductions amounted to £32,259 being an average of 23·5 per cent. on the income affected by the Act, and 1,193 cases representing an Annual Income of £4,459 were excluded by Section 8 from the benefits of the Act.

In 3,282 cases covering an Annual Tithe Rent Charge of £17,109, either the Statutory Declarations required had not been received from the Payers, or the queries issued upon their applications had not been discharged up to the 31st March, last.

Declarations have been received in about 8,000 cases from Tithe Annuity Payers in support of their claims under the provisions of Section 1.

New Certificate under the Tithe Rent Charge (Ireland) Act, 1900. For the purposes of the Tithe Rent Charge (Ireland) Act, 1900, we, on the 11th August, 1915, issued a Certificate under Section 2 of that Act showing by what amount in each county Tithe Rent Charge is to be further varied for a second period of fifteen years in consequence of the fixing of judicial rents. This Certificate was published in the *Dublin Gazette* of the 19th of that month.

A copy of this Certificate will be found in the Appendix. The reductions in the different counties vary from 22·0 per cent. in Fermanagh, to 12·5 per cent. in Meath.

In each county Tithe Rent Charges payable to the Land Commission commencing with the half-yearly gale payable on the 1st May, 1916, as well as those charges payable to lay proprietors and others, will, under the Statute, be automatically reduced by the percentage so certified for the county in which the lands liable to pay the Tithe Rent Charge are situated.

Section 90. As stated in previous Reports the Perpetuity Rents payable to the Commissioners of the Irish Ecclesiastical Goods which numbered 779, and amounted to £49,626 14s. at the 22nd August, 1903.

1884, were by the provisions of Section 90 of the Irish Land Act, 1903, varied from 1st November, 1903, as if they were Tithe Rent Charges, the percentage of reductions appearing in the Certificates of October, 1900, applying. The reduction amounted altogether to £11,347 15s. 2d., or 22·86 per cent. These rents are further reducible under the Certificate of October, 1915.

The amount of arrears due to the Fund at the 31st March, 1916, was £17,318 5s. 3d. Arrears 93.
At the corresponding date last year the arrears were £23,826 5s. 10d.
